## strengths perspective in social work practice the 4th edition

Sat, 16 Feb 2019 17:35:00 GMT strengths perspective in social work pdf - Strength-based practice is a social work practice theory that emphasizes people's self-determination and strengths. It is a philosophy and a way of viewing clients as resourceful and resilient in the face of adversity. It is client-led, with a focus on future outcomes and strengths that people bring to a problem or crisis. When applied beyond the field of social work, strength-based practice ...
